HAS again returned from the City with the largest and

Best selected Stock of Goods, ever brought into this market; comprising nearly every style and grade to be found in the city. Among them are some entirely new styles of Dress Goods—very rich and handsome; all of which have been purchased at the very lowest cash price and will be sold accordingly. My motto is the *nimble sumpence*, consequently can and will sell lower than any other store in town. My reasons are obvious, when the *simpence* is made, it has not got to be divided two or three times among my partners, (as has been) therefore I mean what I say, and do not mean to invite all to an examination of my goods and prices before purchasing elsewhere, and I will prove the above statements correct.
